R-02	Action Required Now	Recover Rs.800 hotel excess (2 nights — Rs.400/night overage in Grade A city, Senior Manager cap is Rs.2,000/night). Alternatively, obtain VP/GM exception approval.
R-03	Action Needed Soon	Adjust food allowance to Rs.600/day for Senior Manager grade (2 days = Rs.200 excess). Recover or adjust in next payable amount.
R-04	Confirmed Issue	Duplicate cab receipt (Entry #6, Rs.320) correctly rejected by reviewer. Confirm rejection is final and note in employee record.
R-05	Future Improvement	Implement pre-approved hotel booking channel with automatic Grade A/B/C city rate enforcement to prevent overage claims.

8. AUDIT CONCLUSION

Expense Voucher No. 1001 submitted by Priya Mehta (SAMPLE001) for a Pune Client Visit (01-Mar-2024 to 08-Mar-2024) has been audited against the Example Company Travel & Reimbursement Policy effective 01-Jan-2024. The audit identified 5 policy concerns (1 High, 2 Medium, 2 Low). Proof quality is generally acceptable — hotel bill, UPI payment screenshot, cab receipt, and vendor invoice are all present and verifiable. The duplicate cab receipt was correctly rejected by the reviewer. Three material issues require resolution before final payment: (1) Hotel rate exceeds the Grade A city cap for Senior Manager — excess Rs.800 should be recovered or approved by exception. (2) PNR/e-tickets are missing for both train entries totalling Rs.2,800. (3) Food allowance rate is Rs.100/day over the Senior Manager limit for 2 days. Policy-eligible amount is Rs.8,770 against the Rs.9,770 reviewer-approved. A partial hold of Rs.1,000 is recommended until train PNRs are provided and hotel excess is resolved.
